BRIEF ABSTRACT OF LETTER.

Prays that the Govt order relating to Melige Venkataramana Swami Temple may be re-considered and that his Muzrai Hak in the same lands of the Bhatta may be confirmed—

NOTES AND ORDERS.

Muz. files nos. 15 of 1908 and 282 of 1910 are herewith submitted.

On the recommendation of the Dy. Commr, the management of Melige Venkataramana Swami Temple and its endowments was

was assumed by Govt and a scale of expenditure was sanctioned in the institution (vide Govt Pro. no. 192-3 D 16th July 1910).

On the petitions from Bhishta Bhatta complaining that he has been dispossessed of S. nos. 12 and 19 of the Kellakere village in the khat of the said Temple which he has been enjoying as Mulgani Hakdar, these lands were ordered to be leased out to the pater for a period of 20 years on an annual rent of Rs 275 inclusive of the Govt dues payable thereon. (vide Govt Pro. no. 321 D 18th August 1913).

Bhishta Bhatta has presented a review-petition praying for a re-consideration of the above order. He complains that during the period the endowments were under Govt management, the Ryots neglected the lands by not devoting proper attention to young mupari and plantain trees, that cattle were freely allowed into the land when not sown.

led to the destruction of the above trees, but also to the closing up of the Canal and other means of water conveyance, that 10,000 young Supari trees reared up by the pete. at a heavy cost, have been lost by the ryots thereby causing heavy loss to him, and that if the pete. lays out lot of money and plants young Supari and plantain trees, it may take 6 or 7 years for him to bring 4 acres out of the lands under proper cultivation. He points out that to convert 4 acres of land lying banjar into a Supari garden, to effect improvements by way of constructing wells and creating water conveniences etc. he will have to spend 15,000 ~~to~~ during 15 or 20 years, and that it will take 20 or 25 years for the land to yield produce. He also complains that he had already spent much money to convert into a garden 4 acres of land reft. to which are now in a deplorable condition, that he had been for some

good on banjar lands also, that to bring these lands under proper cultivation, he will have to contract heavy debts and pay interest. He ^{states} ~~adds~~ that unless his mulgeni-hak is confirmed, he will find it difficult to invest large sums of money for the improvement of the land, and that the documents already produced by him and two civil court judgments support his hak. He prays that on a personal inspection of the land, his hak may be confirmed in his mulgeni hak, and add that instances are not wanting in which persons have been holding Devadaya lands on mulgeni tenure in payment of assessment.

The review-petition is unstamped. The order ought to be reviewed was passed on 1st August 1913, while the review-petition is dated 5th Nov^r 1914. The review seems to be barred by time. May the pet^r be directed to stamp his petition and assign reasons for delay.

his review is admitted?

Submtd. for order

M215)

The Petⁿ does not seem to be
24.11.14 a review Petⁿ, as the order
of Govt of August 1913 is not
sought to be reviewed (because it is
not against his interest), but a
larger concession than is allowed therein
is prayed for. In this view of the case,
~~Petⁿ~~, ~~the Petⁿ~~ requires no stamps, nor is
any time limit prescribed.

May the Petⁿ be sent to the Dy Com^r
Shimoga &c in contrⁿ of the order of
August 1913 for report with records?
His prayer seems to require further
investigation.

RQ

24.11.14

The petition is certainly
a review and should be stamped and
within time. The Petⁿ may be returned
for stamps and an explⁿ for delay

From, Bhista Bhatta,

Petitioner of 13.12.1914.

Duly stamps his petition and assigns reasons for delay in filing the review.

As reasons for delay are accepted, the petitioner states that he had to take possession of the land and to think over as to what improvements were necessary for its better cultivation etc.

He also represents that as he thought that his previous application would not be admitted by him as a review, he did not stamp it.

If reasons for delay are accepted, a report with record will be called for from the Dy. Commr.

The Case

The case was decided on the consent of the petitioner to the terms. He was not entitled to have his Mulgeni confirmed. Some concession was also shown to him in fixing the long term of 20 years and the annual rent. He may be informed that nothing more can be done for him.
